

FOUR FAMILY REUNIONS MARK DAY AT ELKHART

Frank Rhodes of South Bend
Elected Head of Rhodes-
Myers Family.

ELKHART, Ind., Aug. 28.—Sixty-three members of the Rhodes-Myers family reunion association held their annual reunion at Island park Friday. The following officers were elected this afternoon: Frank Rhodes of South Bend, president; John Rhodes of Nappanee, secretary; Samuel Bloom of Claypool, treasurer.

The Souder family held its annual gathering at Island park Friday with thirty-five members participating. The new officers are: G. I. Souder of Inwood, president; Albert Holycross of Larwill, vice president; William Finkentiner of South Bend, secretary-treasurer. The latter also has the distinction of being the oldest member present. He is 64 years of age. Darel Holycross, two-year-old son of Mr. and Mrs. Albert Holycross, was the youngest participant. Next year's reunion is to be held at Larwill.

One hundred and sixty-five members of the Hunsberger family assembled at McNaughton park Friday for their annual reunion. Officers were elected as follows: I. E. Gunn, president; Adam Hunsberger of South Bend, vice president; Irwin Hunsberger, secretary; I. W. Barkey of Osceola, treasurer. Michael Hunsberger of Nappanee, age 80 years, was the oldest participant and Mabel Christina Cline, twelve months old daughter of Mr. and Mrs. William Cline of Wakarusa, the youngest.

The Listenberg family at its reunion at McNaughton park decided to hold its next meeting in the park the last Thursday in August, 1912. Robert Cook of this city was chosen chairman of the committee on arrangements; George Cook of Jamestown, chairman of the music committee, and Mrs. A. H. Ritter of this city, chairman of the miscellaneous committee. Among the participants were two sisters, Mrs. Margaret Frees of South Bend, 53, and Mrs. Mary Marks of Bremen, 73.

Mrs. Catherine Click, wife of Aaron Click of six miles northwest of Elkhart, died Friday after a long illness due to dropsy and heart trouble.

Mrs. Click, who was born in Summit county, O., October 10, 1845, was the daughter of Mr. and Mrs. Emanuel Workinger. She was married to Mr. Click fifty-one years ago and twenty years later they came to this vicinity.

Surviving Mrs. Click are the following children: Maurice Click of this city, Manias Click of Petoskey, Mrs. Frank Gould of Mishawaka, Mrs. Martha Weaver and Mrs. Emma Snell of Clarion, Mich. There also survive four brothers, Charles Workinger and William Workinger of Akron, O., Thomas Workinger of Comet, O., Simon Workinger of this city, and a sister, Mrs. Lovina Adams of Elkhart.

Mrs. Minnie Mack, 227 Harrison st., this city, and N. Y. C. Conductor Michael O'Dowd of Goshen, were married at St. Joseph, Mich., June 2. While the principals have made no effort to keep their marriage a secret, the fact has just become known among their acquaintances. Mr. and Mrs. O'Dowd will make their home in Goshen, as Mr. O'Dowd's run is on the Goshen-Battle Creek branch.

EUGENIA KELLY TO MARRY AL DAVIS
Dancing Master and Helms to Millions Meet on New York Dance Floors.

MACKINAC ISLAND, Mich., Aug. 28.—Eugenia Kelly, worth a million in her own right, whose spectacular Broadway dancing ended in the police court, is going to marry Al Davis, some time, the dancing partner of Bonnie Glass and known as well to Broadway as to Chicago's loop. This information came from the young woman herself in a conversation with a man who was overheard.

It was also reported that Davis, masquerading under another name, spent several weeks at Mackinac Island in which horse bend and rides to the surrounding country were indulged in with Miss Kelly.

HOLD DOCTOR FOR MURDER
Insurance Agent Killed While Leaving Office.

HOUSTON, Tex., Aug. 28.—Joseph E. Christian, an insurance agent, was shot and killed about 10 o'clock Friday morning as he was leaving the premises of Dr. Glover Spear of this city. Dr. Spear, who fired two shots from the second story window of his home, is under arrest charged with murder.

Domestic troubles, a divorce suit filed by Dr. Spear against his wife in which Christian was named as co-respondent, but later dropped, and threats against his own life, Dr. Spear stated, was the cause of the tragedy. Mrs. Spear denies that her relations with Christian were other than proper.

CAN STOP CARS ENROUTE.
WASHINGTON, Aug. 28.—The practice of permitting cars to be stopped enroute to complete loading or to unload in part, is not unreasonable, the interstate commerce commission ruled Friday.

The commission refused the proposal of railroads east of the Mississippi and north of the Ohio rivers to discontinue this privilege to shippers.

Theaters

AT THE ORPHEUM.
Today's performances at the Orpheum will be the final showing of the current bill, Chick Sales has scored a decided hit with his country school program. His impersonations of eccentric, comedy types are humorous as well as artistic. He has evidently studied these subjects and his characters seem to be taken from life. Another big comedy act on the same bill is a laughable sketch presented by Cole, Russell and Davis. The two comedians of this act have a lively lot of new jokes and they keep the audience amused continually. A good-looking woman assists in the act and they have been well received in every performance. LaGraciosa offers a novelty posing act with elaborate scenic effects, clever light arrangements and altogether makes a pleasing feature of the program. Marie Bishop, a dainty slip of a girl in attractive costumes, plays violin selections with skill. Laypo and Benjamin, acrobatic comedians, open the program with difficult tumbling and comedy falls.

A new bill will be shown at the Orpheum, beginning Sunday, on which Toots Paka and her Hawaiian singers, dancers and musicians will be introduced by cornet soloists of the band. Military and popular melodies, marches and serenades will make the entertainment enjoyable. The Dresden and dance pavilion will be open, rides, concessions and other amusements will be ready to take care of the crowds.

THE AUDITORIUM.
Auditorium pictures for today are "The King of the Wire," a three part Edison drama with Pat O'Malley, Gladys Hulette, Herbert Prior and Bigelow Cooper; "Dreamy Dud Visits His Uncle's Farm," an Essanay cartoon comedy; "Not Wanted," an Edison drama, and the Selig weekly of current events.

Tomorrow's feature is a three part Vitagraph entitled "The Scar," with Gladden James, Harry Morey and Mrs. Maurice in the cast. In spite of the terrifying accumulation of evidence against him, John Morton, found guilty of murder in the first degree, was saved from the chair by a witness recognizing on the victim's hand a peculiar scar. This in brief, is the story of this gripping picture. A remarkable tale is unfolded of how the cocaine-crazed assassin had tried to cover up his crime and fasten it on another. "The Winning Wash," a "Ham," "The Limited's Peril," a Kalem railroad picture, featuring Helen Holmes, and "His Bunkie," a Vitagraph military drama, completes the bill.

AT THE INDIANA.
The Indiana shows today a two-reel Biograph story of the stage entitled "Love's Melody." A bachelors' supper, given by a young actor, is one of the novelty scenes, and during its action an old musician tells his story concerning his first composition which brings out the title, "Love's Melody." Two other dramas, "For His Mother" and "Her Mother's Secret," as well as one of the Mr. Jarr comedies makes up the program.

On Sunday, the talented Parisian star and popular emotional actress, Theda Bara, will be seen at the Indiana, in a four-part dramatic production, "The Witness Invisible." Miss Bara's reputation as an impersonator of tragic feminine roles is well established and her peculiar personality and fascinating beauty is most adaptable to screen productions. On the same program will be seen the popular Broncho Billy, otherwise G. W. Anderson, in a western picture, "The Little Prospector." A Vitagraph comedy drama, featuring Muriel Ostriche and a strong cast entitled "What's Ours" is based on the saying that love is blind and marriage is a leap in the dark.

AT THE LASALLE.
Today's program at the LaSalle brings Bob Leonard and his bill in a four-part picture entitled "Heritage." The story deals with a girl raised in the slums of a city, who is transferred to luxurious surroundings but finds the traits of heritage too strong and drifts back. A comedy, "Shot in a Barroom," and a Paramount travel picture, will also be shown.

Mignon Anderson, an attractive screen star, will be featured on the Sunday program in a four-part drama entitled "The Milestones of Life." This picture is said to be remarkable for the consistency of the beauty of its treatment, and the very strong character furnished by Miss Anderson. It more forcibly and truthfully portrays the bitter tyranny of wifely affection than any screen drama of the kind ever shown. Louise Rutter as the other woman is most fascinating. A cartoon comedy by Hy Mayer, concerning the San Francisco exposition, and a trip through the west, will be found interesting, as well as a comedy, "In the Claw of the Law."

"THE LADY IN RED."
Vall Valli, Glenn Hall, Edward Martindel, Gertrude Vanderbilt, Will Phillips, Josie Intropidi, George Moore, Harry Vincent, Ann Henshaw, Ward de Wolf, Phyllis Maude, Lucille Gardiner and others prominent in musical comedy and light operatic productions, are at the head of the company which will present the new musical play, "The Lady in Red," at the Oliver theater Saturday, Sept. 4, matinee and night.

With such attractive names to interpret the charming music written by Robert Winterberg and to set forth Anne Caldwell's smart comedy, there is every reason for the tremendous local success, especially with the splendid record of sixteen weeks at the

George M. Cohan Grand Opera House, Chicago, and having outlived all other summer attractions.

The story is decidedly unique, having for its central figures a debutante and an artist. The former appears as a beach resort in a daring bathing costume, while the latter, from memory, paints her portrait in the sensational garb. A pell-mell of all kinds of romantic and ludicrous happenings are based on this incident. "The Lady in Red" music is the most melodious that has been heard in years. The tunes can be heard in the Windy City cafe, at the summer gardens, the hurdy-gurdy as well as the street bands, all discourse the jingling tunes.

"THE ETERNAL CITY."
The first performance of the eight reel picture of "The Eternal City" will be given at the Oliver theater tomorrow afternoon at 1:15 and will run continuously thereafter till 11 each day during the four days' engagement here. The picture had a long and successful run at the Studebaker theater, Chicago, and many who saw it there considered it the most impressive picture they have ever looked at. Moderate prices have been arranged, ten cents in the afternoon and at night ten cents for children and twenty cents for adults.

BAND CONCERT AT SPRINGBROOK PARK.
Band concerts will be given at Springbrook park Sunday, afternoon and evening, by the Woolen Co. band of Mishawaka. Special features will be introduced by cornet soloists of the band, military and popular melodies, marches and serenades will make the entertainment enjoyable. The Dresden and dance pavilion will be open, rides, concessions and other amusements will be ready to take care of the crowds.

RUPTURE—We have a cure for Rupture without resorting to a painful operation. We are the only reputable physicians in this line of work who will take such cases on a guarantee. You may deposit a draft in the First National Bank, or your Bank, instructing them to place same to our account after you have been cured. By doing this you are absolutely certain of a cure. If we were not perfectly sure of our work we could not do business in this way very long. We have adopted this plan because so many have been swindled by quacks and fakers. Not one of them will permit a patient to deposit his money until a cure has been made.

When taking our treatment, patients must come to our office once each week, and if they live nearby can return home and work during the intervals. **WE DO NOT USE THE PARAFFIN WAX TREATMENT, AS IT IS DANGEROUS.**

There is no pain accompanied to our treatment and we will also give you a written guarantee if at any time in your life you should ever be bothered in any way, shape or form whatsoever of Rupture, we will treat you absolutely free of charge. In other words this gives you insurance the balance of your life against Rupture. Our fees are within the reach of every man and they are no more than you are willing and glad to pay for a cure.

EVERY DAY SOMEONE DIES FROM STRANGULATED HERNIA OR RUPTURE. Don't run the risk of a surgical operation, for every time a patient takes an anesthetic for a surgical operation, he is taking his life in his own hands.

Again, if you are operated on you are required to be in the hospital for at least two or three weeks and, after leaving, it requires very near a year before you recover from the effects of same and after going through with this severe surgical operation and running the risk of your life, you are not guaranteed a cure.

Under our treatment you are positively guaranteed a cure, and you are not required to pay for same until you are cured, so don't run the risk and delay from being cured. Start today. For all Ruptures were small ones one day and there is more danger of strangulation in a small one than a large one, and the longer you wait you are just postponing your case that much longer and allowing your tissues to break that much farther and you are further from a cure each day you postpone being cured.

We can cure your case without detaining you from your business, without putting you in bed, without any pain, and besides we guarantee our work and we will be through with your case and have you cured in very near the same length of time that you would be required to stay in the hospital if you were operated on.
